Re. Steve Hickman vs marzec, et al., No.05-811 & 839-KAJ *DI 37*
(D.Del.) White v. Marzec, No. 06-008-KAJ (D.Del.) and *DI 26*
Weatherspoon v. Marzec, No. 06-009-KAJ(D.Del.) *DI 24*

Dear Your Honor:

Marzec and fellow officers, know the truths, but always try to put up smoke screen to cover the unlawful, and unethical activities. And are not entitled to no immunities because their acts show they did not act in "good faith" (a). now he is trying to attribute ther writing of the report he clearly wrote to another officer [Officer Marvin Mailey] (1). Exhibit A-1 it is clearly stated the observations were made by TFO Marzec and (2) Even if that was true it shows a terrible lack of professionalism on the part of Marzec that an Officer working with him knew the difference and he didn't and (3) Marzec only accepts facts that benefit what he wants to accomplish.

He [Marzec] submitted another fact not based on the truth (a) a computer check of Tawanda Weatherspoon's address would have reviewed her address as 9008 Green Top Rd. Lincoln, DE. 19960 [Exhibit B-1 verifies this] a picture or photocopy of her driver's license.

The plaintiff, has asserted numerous facts and pictures clearly showing a single-wide Tan mobile home as described in search warrant exist in Ellendale Delaware and the search warrant not only doesn't mention the double-wide in Lincoln, it also establishes no probable cause for it search and seizure as well.

[1]. As a matter of Law the defendants have not met their burden of proof essential To obtain dismissal of petitioners claim for failure to state a claim.
